

Keep your body TUNED as you ride
I'm buying a new tent 10x10 pop-up 28lbs. w/zip
up sides - I want to thank all of you who have helped
 me make Massage part of your physical tune-ups each
 year at Black Dog.

I do see a growing need to have another LMT sharing
 my joys and plentys as the family grows.
ANY ONE INTERESTED?

If any of you Black Doggers who are attached to an LMT and she/he wants to work the event with me let
 me know. As I grow into retirement age, I need to find a replacement to serve the BLACK DOG FAMILY.
 Anyone interested talk with me at the event or email me (ilse1@earthlink.net) and we can share the
 lime light, plus possibly doing other events.

I have PRE-bookings for Saturday. Email me: ilse1@earthlink.net. Rates are the same \$40/\$60
 Please check in with me when you get to the event and let me know you made it & confirm time.
